

Transferpette® S-8-12

Do not miss our special prices for microliter pipette Transferpette® S-8-12 – only from April 1 until June 30, 2022

BRAND. For lab. For life.®

Get to know the Transferpette® S-8-12.

The Transferpette® S air displacement pipette allows you to work efficiently and ergonomically with both small and large volumes. Low operating forces and a short stroke ensure relaxed pipetting, even during long pipetting series. Due to its perfect ergonomics, the Transferpette® S provides a comfortable grip in any hand position, whether you are right- or left-handed, or have big or small hands. Changing your grip is not necessary, since the microliter pipette provides true one-hand operation: set the volume, pipette, eject the tip.

Your advantages:

- + Efficient: one-hand operation
- + Flexible: ergonomic design for every hand
- + Reliable: volume-change protection prevents accidental adjustments
